CRAOL DRAFT STATION POLICY 'MORE MIGRANT VOICES ON AIR'

Many Community Radio stations stated that they do not have the human resources required for outreach to migrant communities. As a result of a survey and workshop with station representatives in 2014, we suggest that there are some steps that stations can take to encourage more migrant voices on air.

OBJECTIVE

Develop a strategy for integrating more migrant community members into community radio (voices on air).

RATIONALE

Our stations sign up to the AMARC Charter. In relation to migrant access it states that Community Radio shall provide a right of access to minority and marginalised groups and promote and protect cultural and linguistic diversity; Amarc Charter. Section 5.

CRAOL STATION ACTION PLAN

1. Hosting radio ads in different languages aimed at encouraging our local migrant population to do their own programmes.
2. Dedicating percentage of daily schedule to migrant music.
3. Reference National Holidays & programme featuring migrants.
4. Encourage migrant representation in our committees/Board.
5. Promoting local migrant events in our community notices.
6. Live broadcasting or recording events e.g. Africa Day.
7. Sharing foreign language programming with CRAOL stations through a dedicated website.

Engaging Migrants through Community Radio

On February 23, 92.5 Phoenix FM and Dundalk FM hosted a Migrant Media Conference 2015 in the Teacher's Club, Dublin. The project was funded by the Community Foundation of Ireland supported by Craol. Volunteers and representatives from Craol and many other radio stations such as Liffey Sound FM, Near FM and Balbriggan Community Radio spoke at the conference.

Valentino Tendai from Dundalk FM's The Avenue and Aiste Slajute from Phoenix FM hosted a 3 hour live show from the Migrant Media Conference in Dublin. To listen to the conference and get a full report log on to www.migrantmedia.ie.
